

Veterans Small Business Week

SBA Event: Veteran Business Outreach Center

GA VECTR

The U.S. Small Business Administration's Georgia District Office is partnering with the Georgia Veterans Education Career Transition Resource Center (GA VECTR) to bring information and awareness to the resources that are available to veterans and their spouses. There will be a presentation on veterans' certification, VBOC Boots to Business, financing options and more! We will also have our Women's Business Center, Small Business Development Center, SCORE representatives there to share other business support options and tools available to help veterans advance their business growth.

Join us as we will also be acknowledging the efforts of the GA VECTR Center by presenting them with a Proclamation for Outstanding Service to the veteran community. We look forward to seeing you there and as always THANK YOU FOR YOUR SERVICE!
