GEORGIA DEPARTMENT OF VETERANS SERVICE

Serving Those Who Served

The mission of the Department of Veterans Service is to serve the 752,000+ veterans residing in Georgia, their dependents and survivors in all matters pertaining to veterans benefits.

This responsibility falls into two basic tasks: informing veterans and their families about veterans benefits; and directly assisting and advising veterans and their families in securing the benefits to which they are entitled.

To support these missions, the department maintains an appeals division, field offices, two veterans nursing homes, two veterans cemeteries, and a public information division.

The Appeals Division's mission is to process appeals of Georgia veterans.

The Veterans Field Service Offices, located throughout the state, provide direct assistance to veterans at the local level. The department representatives provide counsel and assist veterans in gathering the documents and information required to support their claims.

The War Veterans Nursing Homes provide skilled nursing care to Georgia's war veterans who need those services.

The Veterans Memorial Cemeteries provide final resting places for Georgia's veterans and their spouses and serve as shrines to their memory and their service to our nation.

The Public Information Division's mission is to keep Georgia veterans informed about these issues.

The uninformed may be prone to use the phrase "duplication of effort" when referring to the functions

of the Department of Veterans Service and the U.S. Department of Veterans Affairs; nothing could be further from the truth.

To a veteran seeking benefits from the VA, the role played by the Department of Veterans Service might be compared to that of an attorney representing a client in court.

The necessity for personal assistance in filing and pursuing claims and in maintaining a continuing information program results from the legal principle that veterans benefits are not awarded automatically – all must be applied for.

The VA pays a veteran exactly what he or she applies for when they are entitled, and no

more. The aim of the Department of Veterans Service is to obtain for a veteran or dependents the earned benefits to which they are entitled, to tell them when they are entitled, and to assist them in gathering and preparing evidence needed to justify a claim and prove their entitlement.

The advancing age of Korean and Vietnam War veterans, and the frequent changes that occur in veterans benefits legislation, will necessitate the continuance of a variety of veterans programs in the years ahead.

As the Congress continues to seek ways to reduce the deficit, veterans benefits will continue to be in a state of flux.

This means veterans will continue to need assistance in interpreting the changes and determining how they impact their personal situation.

VETERANS EDUCATION & TRAINING DIVISION

State Approving Agency

By law, the Georgia Department of Veterans Service is designated as the State Approving Agency, responsible for approving and supervising all institutions and establishments in Georgia, which offer education and training under the provisions of the Veterans Educational Assistance Program.

Within GDVS, the State Approving Agency (SAA) function is performed by the Veterans Education & Training Division. This division is responsible for ensuring that approved institutions and establishments meet and maintain acceptable standards so that eligible persons who attend may receive educational assistance from the U.S. Department of Veterans Affairs.

This includes all public and private schools and all establishments offering apprenticeship and other on-the-job training (OJT). The satisfactory performance of these duties requires extensive knowledge in education administration and understanding the laws and regulations that govern and control the Veterans Educational Assistance Program.

In 2015, GDVS continued to expand opportunities for Georgia veterans to receive their education benefits while enrolled in approved on-the-job training (OJT) and apprenticeship programs.

The Montgomery GI Bill education program, initiated in 1985, remains a great success. This program expanded the education benefits program to include vocational, technical, flight, correspondence, and OJT/apprenticeship training for reservists and veterans.

“The Post-9/11 Veterans Education Assistance Act of 2008,” the newest education benefit program expanded the benefits available to certain service members and veterans with active duty military service after September 11, 2001.

The Post 9/11 Veterans Educational Assistance Improvements Act of 2010 made significant improvements such as adding OJT/apprenticeship and non-college degree schools, vocational schools and

flight schools to what is covered under the Post 9/11 GI Bill.

This new GI Bill has been described as “the most comprehensive education benefits package since the original GI Bill was signed into law in 1944.” For veterans qualified at the 100% tier, the program pays tuition and fees, a housing allowance, and a book stipend.

The Department of Defense also offers a “Transferability of Education Benefits” option for the Post-9/11 GI Bill. This retention program requires eligible active duty veterans to commit to a four-year extension to a six or more year active duty commitment.

During fiscal year 2015, there were 24,188 Georgians receiving GI Bill benefits. An additional 1,022 veterans were enrolled in OJT programs.

In total, 25,210 Georgia veterans were enrolled in college degree and professional programs, technical career programs, vocational programs, flight training, and OJT programs during fiscal year 2015.

In FY 2015, the approval of educational institutions and training establishments for the education of Georgia veterans resulted in the processing of numerous individual actions in the approval, re-approval, withdrawal and compliance survey process.

At the close of 2015, there were 406 approved educational institutions and 1,259 approved training establishments in Georgia. The Veterans Education & Training Division monitors all 1,665 approved educational institutions and training establishments.

The division conducts regular inspection visits to ensure that approval criteria and schools’ standards of progress are being followed as prescribed by law.

During 2015, personnel assigned to the Veterans Education & Training Division conducted numerous visits for the purpose of approval, re-approval, inspection, and compliance surveys.

For more information on all GI Bill programs, visit benefits.va.gov/gibill or call the GDVS Education & Training Division at 404-656-2306.

PUBLIC INFORMATION DIVISION

The Public Information Division collects, evaluates, and disseminates information to veterans regarding changes in benefits laws, and proper procedures to be followed in the filing of claims.

When appropriate, the division mails news and information releases concerning veterans affairs to newspapers, radio and television stations throughout Georgia.

The releases are used to inform veterans about the latest changes regarding veterans affairs and to provide information on the status of proposed or pending legislation that may affect them.

Through an aggressive internal communication program, the division keeps the field offices informed about changes in the law and policy interpretations that impact veterans.

The division supports the department's field personnel in their efforts to promote the department and the services it

provides by their frequent contacts with the news media in their respective areas.

Public speaking forums are an important ingredient of the department's overall information program. All department personnel are encouraged to accept speaking engagements at meetings of veterans organizations and civic clubs. These personal appearances provide excellent opportunities for telling the veterans benefits story. Department personnel also participate in local radio talk shows and make presentations at local schools.

The Public Information Division compiles, edits, and publishes a series of print materials explaining

in detail the various benefits available to veterans, their dependents, and survivors. These include books, pamphlets, and calendars, all of which are updated as changes occur in laws, regulations, or benefits.

The Public Information Division maintains the department's online presence, including its website, blog, and several social media channels.

Veterans, their families, and all others interested

in veteran-related news are encouraged to follow @gavetsvc on Twitter, where the department is leveraging the social media service to share the latest news of the day as it happens.

Those interested in more in-depth news and a chance to interact with other veterans and veteran advocates are encouraged to "like" the Georgia Department of Veterans Service's page on Facebook: [facebook.com/gavetsvc](https://www.facebook.com/gavetsvc).

Although the division strives to utilize the latest available new media tools, the

department's website, veterans.georgia.gov, remains the top source for official Georgia Department of Veterans Service information.

The GDVS website is a repository of information about veterans benefits, including the most up-to-date version of *State Benefits for Georgia Veterans*, and detailed information concerning all aspects of the department: Commissioner Roby, Georgia War Veterans Homes, Georgia Veterans Memorial Cemeteries, Veterans Field Service Offices, Appeals Division, and Veterans Education & Training.

The website is also home to the department's official news feed, blog, and calendar of events.

The screenshot shows the Georgia Department of Veterans Service website. At the top, there is a navigation menu with links for About GDVS, Services, Benefits, RVTF, News, FAQ, and Blog. A search bar is located on the right side of the header. The main content area is divided into several sections. On the left, there is a 'Ready to Assist' section with a photo of counselors and a 'Read More' button. Below this, there are three columns: 'Welcome veterans!' with a 'Welcome!' message, 'News Releases' with two recent articles, and 'Calendar' with two upcoming events: 'Offices Closed January 18, 2016' and 'Veterans Service Board Meeting January 19, 2016'.

GEORGIA WAR VETERANS NURSING HOME

Augusta

The Georgia War Veterans Nursing Home in Augusta is a 192-bed skilled nursing care facility located adjacent to the campus of Augusta University and the Charlie Norwood Veterans Affairs Medical Center.

Georgia War Veterans Nursing Home is operated under an interagency agreement between the Georgia Department of Veterans Service and Augusta University.

Primarily, the facility provides medical and skilled nursing services to Georgia's aged and infirm war veterans. Georgia War Veterans Nursing Home also serves as a teaching facility to acquaint medical, dental, pharmacy, and allied health students with the medical conditions and diseases of the aged. This provides students with practical experience and helps them gain expertise in treating the disabled and the elderly.

Also located at the facility is a GDVS Veterans Field Service Office that serves residents of the home and veterans of Richmond and Columbia counties.

Dedicated in 1969, the facility was the first of its kind in the nation to be built with financial grant assistance from the federal government. It is one of a select group of such institutions that is accredited by the Joint Commission.

In fiscal year 2015, the nursing home provided 55,657 days of care to Georgia's veterans with an average age of 84. During the year, there were 213 admissions and 209 discharges with an average length of stay of 288 days.

Services to patients included 4,194 physical therapy treatments and 3,991 individual occupational

therapy procedures.

Veteran patients were treated by a medical director and family medicine residents providing daily physician coverage. Other services were provided by a certified activities therapist and staff, two facility social workers and a staff of registered, licensed

practical nurses and certified nursing assistants.

To help provide care and treatment, the federal government, through the Department of Veterans Affairs, provided financial assistance totaling in excess of \$6.9 million during fiscal year 2015.

Throughout the year, veteran service

organizations, civic and fraternal organizations and religious groups demonstrated their concern for the well-being of veteran patients through numerous donations, visits, and sponsorship of frequent activities for Georgia War Veterans Nursing Home residents.

GEORGIA WAR VETERANS HOME

Milledgeville

The Georgia War Veterans Home, situated on approximately 17 acres in Milledgeville, is a 375-bed facility licensed and certified by the U.S. Department of Veterans Affairs to provide skilled nursing care to aged and infirm Georgia war veterans. United Veteran Services of Georgia, Inc., a subsidiary of UHS-Pruitt Corporation of Norcross, operates the home for the Department of Veterans Service under a contractual agreement.

The home operated three skilled nursing care facilities in 2015, which included the Richard B. Russell Building with 86 budgeted beds; the Joe T Wood Building with 140 budgeted beds; and the Alzheimer's Wing of the Pete Wheeler Building with 24 budgeted beds.

Residents have access to several recreational facilities. These include a fitness center; an 18-hole putt-putt golf course that was renovated this year; a library; computers with Internet access and Skype; and a multi-purpose recreation center with pool tables, table games, books, and a large collection of movies.

The GDVS field office serving veterans in the home and in Baldwin, Hancock, Putnam, Washington, and Wilkinson counties is located in the Wheeler Building Rotunda. Veteran-related contacts for this field office totaled 17,429 for calendar year 2015. This office also serves the 250 veterans of the Georgia War Veterans Home by assisting with compensation and pension claims, counseling services, and family-related issues.

During fiscal year 2015, veteran patients at the home received 86,605 days of skilled nursing care.

The nursing home admitted 184 patients during the year and had 153 discharges/deaths. The average length of stay for current skilled veteran patients is 1,235 days or 3.4 years.

During fiscal year 2015, federal assistance in funding a portion of the cost of providing care to veterans in the home amounted to \$10,665,202.

As in previous years, many veterans service organizations, civic groups, and church groups continued their sponsorship of numerous activities such as movies, games, dance parties, bingo, picnics, and other activities and programs for the

general well-being of the veteran patients at the home. Groups and individuals that comprised the equivalent of 1,465 individual volunteers providing in excess of 9,429 hours of time valued at over \$169,722 presented over 765 activities during the year.

The value of donated items made available to the home during fiscal year 2015 was \$65,563. Groups and individuals also provided direct monetary donations of \$37,818 in support of special activities and projects.

GEORGIA VETERANS MEMORIAL CEMETERY

Milledgeville

Georgia Veterans Memorial Cemetery at Milledgeville is located approximately five miles south of downtown Milledgeville along Georgia Highway 112.

This cemetery, established on 142 acres the Georgia Department of Veterans Service received from the Georgia Forestry Commission, includes an administration/visitor center with a state-of-the-art information booth, a committal chapel, a carillon, and 12 columbarium shelters for cremations. Cemetery grounds also include a six-acre lake and a three-acre, multi-tier walled ceremonial area.

The cemetery will eventually be the final resting place for more than 100,000 eligible veterans, their spouses, and eligible dependents.

As of December 31, 2015, there were 2,635 veterans, spouses, and dependents buried at the GVMC. The burials are composed of 1,847 casketed burials, 457 cremations in the columbarium, 306 in-ground cremations, and 25 memorial markers.

The avenue of flags is displayed when ceremonies are held at the cemetery, such as Memorial Day and Wreaths Across America. In addition, it is displayed on Flag Day, Independence Day, and Veterans Day.

Flags were placed on all burial sites and at the front entrance of the cemetery in recognition of Memorial Day. The Knights of Columbus, Patriot Guard, and members of the 48th Infantry Brigade conducted a ceremony attended by approximately 500 people.

Flags were placed on all burial sites in the cemetery in recognition of Veterans Day.

On December 12, 2015, the cemetery hosted its annual Wreaths Across America ceremony honoring our past and present military. Seven wreaths, provided by the Worchester Wreath Company, were presented

honoring each branch of our Armed Forces, Merchant Marines and POWs/MIAs. The ceremony included members of the Patriot Guard Riders, Honor Guards from the Morgan County High School Air Force JROTC and CFCA Cadet Squadron GA-808, and representatives from each branch of service. The cemetery

received enough wreaths to place one on every grave. Volunteers placed these following the ceremony.

The cemetery has many visitors each year. Some are visiting grave sites, some are seeking information about the cemetery and burial requirements, and many have just heard about the cemetery and want to see the grounds.

Cemetery staff members remain active in the local community by meeting frequently with business groups, veterans organizations, and church groups.

The GVMC's hours of operation are Monday through Friday 8 a.m. to 4:30 p.m., excluding official state holidays.

The cemetery is open to families, visitors, and the general public seven days each week from 8 a.m. to dusk.

GEORGIA VETERANS MEMORIAL CEMETERY

Glennville

Georgia Veterans Memorial Cemetery – Glennville is situated on the 42.6-acre site of the former Dyess Farm, just north of the Glennville city limits on U.S. Highway 301, 25 miles west of the main post of Fort Stewart.

The initial 26-acre phase of the cemetery contains 1,400 pre-placed in-ground double vaults, for eligible veterans, their spouses, and eligible dependents; 766 conventional single depth sites; 1,384 cremation interment sites, which include a columbarium and in-ground sites; and 429 spaces for memorial markers. These memorial markers are placed in memory of those veterans whose remains are unavailable for burial.

GVMC–Glennville was dedicated on November 28, 2007, and will eventually be the final resting place for more than 21,000 veterans, their spouses, and eligible dependents. As of December 31, 2015, there were 910 veterans, spouses, and family members interred.

A key feature of the cemetery is the co-location of the Glennville Veterans Field Service Office, which provides assistance to veterans and their families in Bryan, Liberty, Long, Tattnall, and Wayne counties.

In 2015, GVMC–Glennville hosted its annual Memorial Day ceremony to honor veterans who paid the ultimate sacrifice in service of our country. The ceremony was held in conjunction with the Glennville American Legion post and the Glennville Veterans of Foreign Wars post. Colonel Mike A. Calvin, Commander of Fort Stewart’s 87th Combat Sustainment Support Battalion, 3rd Sustainment

Brigade, was the guest speaker for the ceremony. He took the opportunity to inform the crowd of the importance of Memorial Day as a time to honor today’s soldiers as well as soldiers of the past who have all sacrificed. Also, Cemetery Director Ernie Cowart welcomed the crowd to the cemetery, as over 250 people attended the ceremony during a beautiful spring day.

For Memorial Day and Veterans Day, Boy Scout Troop 929 placed U.S. flags at the grave sites of the veterans interred in the cemetery. In December, the Bonaventure Children of the American

Revolution Society, along with the Glennville Faith Riders, sponsored a Wreaths Across America ceremony to place wreaths at all the interment sites in the cemetery. The Air Force JROTC of Effingham County High School took part in the ceremony and provided the color guard. Stephanie Lawless, director of the Toombs County High School Band, performed “Taps.” A crowd of over 300 people attended the ceremony and then helped place wreaths at the graves.

Cemetery staff members remain active in the local community by meeting frequently with business groups, veterans organizations, and other various groups.

GVMC–Glennville’s hours of operation are Monday through Friday 8 a.m. to 4:30 p.m., excluding official state holidays.

The cemetery is open to families, visitors, and the general public seven days each week from 8 a.m. to dusk.

Pete Wheeler
1922-2015

Commissioner Pete Wheeler, leader of the Georgia Department of Veterans Service since 1954, died peacefully surrounded by family in the early morning, Tuesday, April 21, 2015.

Wheeler joined the GDVS in 1949 as director of the education division. In 1951 he was named assistant director of the department and served in that capacity until his appointment as the department's director (title later changed to Georgia Commissioner of Veterans Service) on June 26, 1954.

Fifteen reappointments later, Commissioner Wheeler was still in charge.

For 66 years, he was a steadfast public servant and unswerving advocate for all veterans. Throughout his career, Commissioner Wheeler was a respected leader in the veterans community, whose experience and expertise was recognized and called upon at the national level.

A bugler plays "Taps" following the 21-gun salute for Commissioner Wheeler.

After Commissioner Wheeler was laid to rest, a lone guitarist set up and sang "Georgia on My Mind."

Veterans Day

 BY THE GOVERNOR OF THE STATE OF GEORGIA
A PROCLAMATION
VETERANS DAY

WHEREAS: The citizens of Georgia and the United States of America live in freedom because of the contributions and personal sacrifices made by those who have served and by those now serving in the Armed Forces; and
WHEREAS: Our nation has fought and continues to fight battles around the world for the ideals of liberty and justice. The words of the first Veterans Day proclamation signed by President Eisenhower still ring true: "Let us solemnly remember the sacrifices of all those who fought so valiantly, on the seas, in the air, and on foreign shores, to preserve our heritage of freedom, and let us reconsecrate ourselves to the task of promoting an enduring peace so that their efforts shall not have been in vain"; and
WHEREAS: Georgia has always provided its best and brightest sons and daughters to serve bravely in America's Armed Forces. We remember with tender and grateful hearts those men and women who have served in the military with distinction and valor as sailors, soldiers, airmen, and Marines, and offer our sincere prayers for those who continue to defend the principles on which our nation was founded; and
WHEREAS: We will endeavor to always honor the contributions and sacrifices of the millions of Georgians who have, over the centuries, served in the military and the tens of thousands presently serving, both at home and abroad; and
WHEREAS: The State of Georgia is home to more than 776,000 veterans and tens of thousands of our nation's military families. We are proud to recognize our country's veterans and extend the appreciation of our citizens to those who wear the uniforms of the United States Armed Forces and serve on the front lines, preserving freedom and liberty; and
THEREFORE: I, NATHAN DEAL, Governor of the State of Georgia, do hereby proclaim November 11, 2015, as **VETERANS DAY** in Georgia and encourage all citizens to observe and appreciate the sacrifices and contributions of our veterans who fought for peace and defended democracy in our land and abroad.

GEORGIA'S VETERANS SERVICE ORGANIZATIONS

In rendering service to the veterans of Georgia, the Georgia Department of Veterans Service works closely with the state's veterans organizations.

GDVS sincerely appreciates the members of the veterans organizations in Georgia, who so generously give their time, energy, and expertise assisting the state's veterans.

GDVS also appreciates the auxiliaries of these organizations for their cooperation and assistance in programs and activities.

As in years past, Commissioner Roby and key staff members participated in several VSO annual state conventions to present information to delegates about ongoing GDVS activities and issues that impact Georgia veterans.

In December, Commissioner Roby invited the leaders of all state VSOs and their auxiliaries to attend a Commanders' Call at which they were briefed on the state of the GDVS and Commissioner Roby's vision for the future.

A listing of all Georgia VSOs is available at veterans.ga.gov/vso-leadership.

Notes:										
* Veteran population estimates, as of September 30, 2014, are produced by the VA Office of the Actuary (VetPop 2014).										
# Prior to FY 08, "Loan Guaranty" expenditures were included in the Education & Vocational Rehabilitation and Employment (E&VRE) programs. Currently, all "Loan Guaranty" expenditures are attributed to Travis County, TX, where all Loan Guaranty payments are processed. VA will continue to improve data collection for future GDX reports to better distribute loan expenditures at the state, county and congressional district levels.										
** Unique patients are patients who received treatment at a VA health care facility. Data are provided by the Allocation Resource Center (ARC).										
Expenditure data sources: USASpending.gov for Compensation & Pension (C&P) and Education and Vocational Rehabilitation and Employment (EVRE) Benefits; Veterans Benefits Administration Insurance Center for the Insurance costs; the VA Financial Management System (FMS) for Construction, Medical Research, General Operating Expenses, and certain C&P and Readjustment data; and the Allocation Resource Center (ARC) for Medical Care costs.										
1. Expenditures are rounded to the nearest thousand dollars. For example, \$500 to \$1,000 are rounded to \$1; \$0 to \$499 are rounded to \$0; and "\$-" = 0 or no expenditures.										
2. The Compensation & Pension expenditures include dollars for the following programs: veterans' compensation for service-connected disabilities; dependency and indemnity compensation for service-connected deaths; veterans' pension for nonservice-connected disabilities; and burial and other benefits to veterans and their survivors.										
3. Medical Care expenditures include dollars for medical services, medical administration, facility maintenance, educational support, research support, and other overhead items. Medical Care expenditures do not include dollars for construction or other non-medical support.										
4. Medical Care expenditures are based on where patients live instead of where care is delivered.										
5. A star symbol (*) in the Unique Patients column denotes that there were less than 10 Unique Patients.
